Targeted Outcomes: What are the expected individual outcomes for participants in this program? These are the outcomes that you will track and report. Additionally, briefly describe your plan to measure individual participants' progress on the outcome(s). Will you use a standardized assessment, a survey, case notes, observation, etc.? When and how often will assessments take place and who will collect the data and evaluate progress? Identify if and how program participants and members of the community will be supported to participate in the outcome evaluation activities.
